The composition must be monitored by your teacher three times during the composition process as part of the authentication process.

You must complete and sign a composition log giving details of the composition process.

The piece must be a minimum of 1 minute duration.

### **ACKNOWLEDGEMENTS (IN THE COMPOSITION LOG)**

All secondary source materials, such as musical quotes or pre-composed samples, must be clearly acknowledged and any work which is not entirely your own must be identified. Software packages must be listed with an explanation of how they have been used. Any musical influences you may have used must also be acknowledged in the composition log.

## Set briefs

You must compose a piece of music in response to **one** of the following set briefs.

**Briefs 1 and 2 require you to compose a section of a longer piece, and briefs 3 and 4 require you to write a short piece.**

1. Compose the exposition section of an instrumental piece in sonata form, intended for performance in a school awards ceremony.
2. Compose the first two sections of a vocal solo with accompaniment to be performed at a local musical event 'In Celebration of Song'.
3. Compose a short musical prelude to set the scene for a sixth form production about Owain Glyndŵr. You may write an instrumental piece, or a piece for voices with or without accompaniment.
4. Compose a short instrumental trio to be performed at a chamber concert to be held at St.Beuno church in Caernarfon.

You are reminded that all four briefs are set in the context of the **Western Classical Tradition** and the response to the selected brief must result in a composition in a **Western Classical style** which illustrates understanding of the musical language, techniques and conventions of the period (i.e. Baroque, Classical and Romantic eras). You must choose a **suitable style or genre from the period**. Further guidance on composing in a Western Classical style can be found in Appendix B of the specification.

## Composition evidence

Compositions will be submitted online.

You will be required to provide the following evidence when you submit your composition for assessment:

1. an audio recording of the composition in MP3 format
2. a score **or** a detailed written description of the music accompanied by an outline of the melody and chords used, in pdf format or compatible with MS Office
3. a signed composition log outlining the development process and acknowledgements. This can be typed with a digital signature, or scanned. Please use the template available on the WJEC website.
